

Alan Walker, Who I Am - feat. Putri Ariani, Peder

Don't say this, don't say that
I'm not playing by the rules
If they were made by you
I won't break just like that
I'll make my own mistakes
Till I'm wrong in all the right ways

Save all your tears
You don't wanna waste them on me
I'm not gonna be just like them
This is just the way that I am
Head in the clouds
I do not fit in to the crowd
Baby it's all making perfect sense
Cause this is who I am, who I am

Don't say this, don't say that
I'm not playing by the rules
If they were made by you
I won't break just like that
I'll make my own mistakes
Till I'm wrong in all the right ways

Save all your tears
You don't wanna waste them on me
I'm not gonna be just like them
This is just the way that I am
Head in the clouds
I do not fit in to the crowd
Baby it's all making perfect sense
Cause this is who I am, who I am

If only I was wide awake
There's more than I can take
And when you dive into the blue
I'll be right next to you
I never wanna miss a thing
We fall in love again
You know I may hold on to you
Cause all that you go through
I'm with you
