

# Alan Walker x A\$AP Rocky, Live Fast (PUBGM)

live fast for the moment  
keep burning on both ends  
I gotta get out 'fore I die  
out 'fore I die  
out 'fore I die  
black out in the morning  
too high , never cave in  
I gotta get out 'fore I die  
out 'fore I die  
out 'fore I die

burning like a candle  
both ends deipping spills loose  
ends burn  
heads burning  
end bridges  
better uuse the stairs  
till zour legs hurting  
running for the hills  
I am on their heels  
keep their heads turning  
consider it a fair warning  
mz partners steadz moving like itas feds on us  
probably cause you assumimg that ts meds on us  
kick big shit I need leg armers  
chug water, all love  
blood id thicker then the dreads on us  
now I remember that when I am in my bag  
it ain't where you from  
it's where you're at  
where them niggas at  
time to toe tag yea  
body bag yea  
karate chop these half  
till they find my match  
till they find me lying dead on my back  
this could be my last year  
putting up a fight until I collapse  
2013, I went wild for night  
in 2019 I am getting out 'fore I die

live fast for the moment  
keep burning on both ends  
I gotta get out 'fore I die  
out 'fore I die  
out 'fore I die  
black out in the morning  
too high , never cave in  
I gotta get out 'fore I die  
out 'fore I die  
out 'fore I die
