

Alana Davis, One Day

Looking to the sky, wishing for a sun
Lowering the high before the trip's begun
Passing time acting blind
Taking the easy way out
Every day you spend wasting away
You don't care what life's about

But you will one day
You will one day
You'll be hurting some day
You will one day

Said you'd be the one
Said you'd always be there
But you're caring for none
And your promises they drift into the air
Every night you want to start a fight
Trouble's what you're made of
You can't be tied
You can't look inside
Don't want anyone to love

But you will one day
You will one day
You'll be hurting some day
You will one day

Passing time and acting blind
Taking the easy way out oh
Everyday you're wasting away
Don't care what life's about
But you will one day
You will one day
You'll be hurting some day
One day
Yea, one day
Yea one day
You're gonna wake up one day
You'll be hurting someday
You will one day
You will one day
You'll be hurting someday
One day
Someday
One day
One day
Someday
One day
