Alana Davis, One Day

Looking to the sky, wishing for a sun Lowering the high before the trip's begun Passing time acting blind Taking the easy way out Every day you spend wasting away You don't care what life's about

But you will one day You will one day You'll be hurting some day You will one day

Said you'd be the one
Said you'd always be there
But you're caring for none
And your promises they drift into the air
Every night you want to start a fight
Trouble's what you're made of
You can't be tied
You can't look inside
Don't want anyone to love

But you will one day You will one day You'll be hurting some day You will one day

Passing time and acting blind Taking the easy way out oh Everyday you're wasting away Don't care what life's about But you will one day You will one day You'll be hurting some day One day Yea, one day Yea one day You're gonna wake up one day You'll be hurting someday You will one day You will one day You'll be hurting someday One day Someday One day One day Someday One day
