

Alanis Morissette, (Change is)Never a waste of time

I know there's a reason you're forcing a smile
You hide what you're feeling and you have for a while
I can tell that you're falling
And you feel that you can't go on
But a new day is calling
And you'll see that the feeling is gone
[CHORUS:]
You know you're not the only one
Who has a lot to overcome
And when the time has come then you move on
'Cause you've been crying for too long
Sometimes life is so unkind
But change is never a waste of time
I know how you're feeling, I've been there before
The hurting is something much too strong to ignore
Don't be waiting for someone
Who can take all your fear away
When there's no one to listen
That is when you should not be afraid
[CHORUS]
But change is never a waste... it's never a waste of time
