

# Alanis Morissette, Princes Familiar [MTV Unplugged]

Papa laugh with your princess  
So that she will find funny princes familiar  
Papa respect your princess  
So that she will find respectful princes familiar  
Papa love your princess  
So that she will find loving princes familiar  
Papa cry for your princess  
So that she will find gentle princes familiar  
Please be strangely enigmatic  
Please be just like my
