## Alarm, The, Rain In The Summertime.

Alarm, The
Eye Of The Hurricane
Rain In The Summertime.
Under the anvil of the sun
Sweat, like a train
I come, i come,
My body to dust
Scorched by the might of the sun

Burning light, burning white heat Like wildfire I sweat a fever My body screams Disintegrates in the heat

Our love is the faith that keeps on burning

I love to feel the rain in the summertime I love to feel the rain on my face I love to feel the rain in the summertime I love to feel the rain on my face

Burnt at the stake, on a bed of fire My body rises Taking me higher My loves desire Is pure ascension fire

And love is the faith that keeps on burning

I love to feel the rain in the summertime I love to feel the rain on my face I love to feel the rain in the summertime I love to feel the rain on my face

And then i run 'til the breath tears my throat 'til the pain hits my side As if i run fast enough I can leave all the pain and the sadness behind

I love to feel the rain in the summertime I love to feel the rain on my face I love to feel the rain in the summertime I love to feel the rain on my face (i love to feel the rain on my face) (in the summertime)
