

Albert Collins, All About My Girl

When you told me it was all over, babe
You thought all I ever was, was through, (ooooh!)
When you told me it was all over, babe
Thought all I ever was through (oh yeah!)
I had three more irons in the fire
Sorry, but I forgot to tell you

One more thing I'd like to tell you right now, uh-huh

You thought I'd be hurt when you left me babe
But I found another friend, (oohh!)
Yeah, you thought I'd be hurt when you left me babe

Well, I found another friend, (found me somebody else)
But sometimes what you lose,
Is nothing compared to what you win
(I'm gonna feel alright now)

A good man may fall, babe (oh yeah) but ya get back on your feet
(Yeah, I know, I know, I know)
You know, you know, a good man may fall, babe
Ya know ya get back on your feet
Yes I've got a good thing goin' now, woman (got a good thing goin' now)
Oh the future look good to me (future look so good to me) alright
