

Alborosie, Mama She Don't Like You

Long time thing!

No joke thing!

Sekkle song!

She love the way me cook di pasta,
Italian thuggin' driving testarossa.

I'm so puppa call mi cosa nostra,

Burning sensimillia playing Robert Nesta.

I love the way she move it slow,

Deep and through she need my flow.

But there is something that you need to know,

Yesterday the girl she tell me so.

I said noooo.. woohh!

Mama she don't like you bwoy, she don't like you.

Her mother she don't like me cah mi grow mi locks,

She neva feel mi vibes, she no gimme no props.

If you ever talk to pupa shall go make you pack,

Coulda three four five six seven o'clock.

You got to mi heart with a love injection.

Me and her together make love perfection,

This is what you bring to my attention.
