

# Alcatrazz, Suffer Me

The cold December day I came  
You knew me well but I was a stranger  
You suffer me, oh oh you suffer me  
Oooo suffer me  
Why you suffer me

I touched you  
You felt me heart  
Oh how you suffer me oh you suffer me  
Oh suffer me  
Why did you suffer me

(SOLO)

Oh suffer me why did you  
How could you suffer me  
Suffer wo oa oh
