

# Alejandro Sanz, The Hardest Day of My Life

Canta con The Corrs  
One more day  
One last look  
Before I leave it all behind  
And play the role thats meant for us  
That said wed say goodbye  
One more night by your side  
When our dreams collide  
And all we have is everything  
And there's no pain, there's no hurt  
There's no wrong, it's all right  
If I promise to believe  
Will you believe  
That theres nowhere that wed rather be  
Nowhere just right where we are  
Ive no choice, I love you, leave  
Love you, wave goodbye  
And all I ever wanted was to stay (And all I ever wanted was to stay)  
And nothing in this worlds gonna change  
Never wanna wake up from this night  
Never wanna leave this moment,  
Waiting for you only, only you  
Never gonna forget every single thing you do  
When loving you is my finest hour  
And leaving you the hardest day of my life  
I still breathe, I still eat  
And the sun, it shines the same as it did yesterday  
But there's no warmth, no light  
I feel empty inside  
But I never will regret a single day  
I know it isn't going to go away  
What Im feeling for you  
I will always love you, leave,  
Love you, wave goodbye (Love you, wave goodbye)  
And all I ever wanted was to stay  
Nothing in this worlds gonna change  
Never wanna wake up from this night  
Never wanna leave this moment,  
Waiting for you only, only you  
Never gonna forget every single thing you do  
When loving you is my finest hour  
Never knew Id ever feel this way  
I feel for you  
Never wanna wake up from this night  
Never wanna leave this moment,  
Waiting for you only, only you  
Never gonna forget every single thing you do  
Loving you is my finest hour  
And leaving you the hardest day of my life
