

# Alejandro Sanz, The Hardest Day of My Life

Canta con The Corrs

One more day

One last look

Before I leave it all behind

And play the role that's meant for us

That said we'd say goodbye

One more night by your side

When our dreams collide

And all we have is everything

And there's no pain, there's no hurt

There's no wrong, it's all right

If I promise to believe

Will you believe

That there's nowhere that we'd rather be

Nowhere just right where we are

I've no choice, I love you, leave

Love you, wave goodbye

And all I ever wanted was to stay (And all I ever wanted was to stay)

And nothing in this world's gonna change

Never wanna wake up from this night

Never wanna leave this moment,

Waiting for you only, only you

Never gonna forget every single thing you do

When loving you is my finest hour

And leaving you the hardest day of my life

I still breathe, I still eat

And the sun, it shines the same as it did yesterday

But there's no warmth, no light

I feel empty inside

But I never will regret a single day

I know it isn't going to go away

What I'm feeling for you

I will always love you, leave,

Love you, wave goodbye (Love you, wave goodbye)

And all I ever wanted was to stay

Nothing in this world's gonna change

Never wanna wake up from this night

Never wanna leave this moment,

Waiting for you only, only you

Never gonna forget every single thing you do

When loving you is my finest hour

Never knew I'd ever feel this way

I feel for you

Never wanna wake up from this night

Never wanna leave this moment,

Waiting for you only, only you

Never gonna forget every single thing you do

Loving you is my finest hour

And leaving you the hardest day of my life
