

# Alesha Dixon, To Love Again

All this time i felt so lost, lost and needed help.  
Incomplete, out of reach, All alone by myself.  
It all becomes so clear, when i see your face.  
And its only when youre near, I feel im safe.  
So before we take this road,  
Before you change my mind,  
Fill my heart with hope,  
Help me to believe this time.  
Ive been torn apart,  
Desperately try to find a way back to my heart,  
So i can love again.  
Ooh, help me love again. Ooh yeah.  
Im so tired of holding on, so tired of waiting.  
I need to feel something real, without it breaking.  
It all becomes so clear, when you touch my hand.  
And its only when youre near, i know you understand.  
So before we take this road,  
Before you change my mind,  
Fill my heart with hope,  
Help me to believe this time.  
Ive been torn apart,  
Desperately try to find a way back to my heart,  
So i can love again.  
There's a far within me  
But i don't know where to start  
There's a lie begin me  
There's dark i livin  
There's a hole i feel a love  
So before we take this road,  
Before you change my mind,  
Fill my heart with hope,  
Help me to believe this time.  
Ive been torn apart,  
Desperately try to find a way back to my heart,  
So i can love again
