

Alessi, All For a Reason

I know it's late and I'm a little drunk
But I wanted to call just to hear your voice
It was the two of us such a long time ago
So many times I regret that choice
Oh Ann, it's all for a reason
And whatever reason we had to go on,
I just want you to know
I think you're beautiful
I read some letters you used to write
I couldn't help but be taken
I couldn't sleep at all that night
Too bad love was forsaken
Oh Ann, it's all for a reason
And whatever reason we had to go on,
I just want you to know
I think you're beautiful
So tell me what you know, let your feelins go
Oh I won't make a scene, I won't carry on
Can't you see I'm just a man in love and it's driving me insane
Oh no hello, hello, hello...all for a reason and whatever reason
We're here for a reason and whatever reason
Oh Ann, it's all for a reason and whatever reason you had to go on
