Alessi, Savin' The Day

Ooh, see the danger signs
Sneaking up from behind
Sort of like it's telling you what to say
Looks like you've lost control
Something growing on your soul
See it coming from a mile away
Savin' the day
Savin' the day
When you're getting to the point where it's driving you insane
Savin' the day
Savin' the day
You seem a little strange
Something about you not the same
Nowhere to hide from the feeling running through my veins
It was the frightening truth
That way just ain't no youth
Baby, you got the will, you got the way
Savin' the day
Savin' the day
Speak of the past, they slip in the back way
Savin' the day
Savin' the day
When it's getting to the point where it's driving you insane
Savin' the day
Savin' the day
When you're getting to the point where it's driving you insane
When it starts to pour and the whole thing's out of control
And you can't run away if you don't know where to go
Don't know, don't know
You can't leave it till tomorrow
You can't leave it till tomorrow
Don't know, don't know
In the dance with Stay-Puft you gotta have it 'fore you're surrendering
Savin' the day
Savin' the day
Speak of the past, they slip in the back way
Savin' the day
Savin' the day
Ooh, when it's getting to the point where it's driving you insane
Savin' the day
You can't wait, you can't wait until tomorrow
Savin' the day
You can't wait, you can't wait until tomorrow
Savin' the day
You can't wait
Savin' the day
You can't wait, you can't wait until tomorrow
