

Alessi, Still In Love

Hope this letter finds its way to you
I've written several times
But never followed through
Yesterday seems so unconfused
Did we ever find ourselves
Is it really what we choose
Exciting places and pretty faces come and go
Just one thing, girl, there's something
I just have to let you know
I just had to let you know

Chorus:

Darling, you are the best
Yes, you're a blessing to the man that shares
The world around you
Now I'm a fool,
No my heart just won't deny it
Girl, I'm still in love with you
Gentle nights just seem to waste away
I remember every word,
All the things we used to say
Broken dreams bring unspoken words
We just slipped away
I hope you don't mind that I say
Hope you don't mind that I say
(Chorus)
