

Alessia Cara, Out Of Love

I won't tell you I'm lonely
cause it may be selfish
I won't ask you to hold me
cause that won't mend what's helpless

there's not a thing
i could say
not a song I could sing
for your mind to change
nothing can fill up the space
won't ask you to stay
by let me ask you one thing

when did you fall out of love?
when did you fall out of love?

I can't float in an ocean
that's already been drained
I won't cry at your feet now
I know my tears will fall in vain

there's not a thing
i could say
not a song I could sing
for your mind to change
nothing can fill up the space
won't ask you to stay
by let me ask you one thing
there's not a thing
i could say
not a song I could sing
for your mind to change
nothing can fill up the space
won't ask you to stay
by let me ask you one thing

no use wondering
why your changing heart has wandered
so I'll ask you this question
cause it might help me sleep longer

when did you fall out of love?
when did you fall out of love?
when did you fall out of love?
when did you fall out of love?

out of love
out of love
out of love
