Alessia Cara, Out Of Love

I won't tell you I'm lonely cause it may be selfish I won't ask you to hold me cause that won't mend what's helpless

there's not a thing i could say not a song I could sing for your mind to change nothing can fill up the space won't ask you to stay by let me ask you one thing

when did you fall out of love? when did you fall out of love?

I can't float in an ocean that's already been drained I won't cry at your feet now I know my tears will fall in vain

there's not a thing
i could say
not a song I could sing
for your mind to change
nothing can fill up the space
won't ask you to stay
by let me ask you one thing
there's not a thing
i could say
not a song I could sing
for your mind to change
nothing can fill up the space
won't ask you to stay
by let me ask you one thing

no use wondering why your changing heart has wandered so I'll ask you this question cause lit might help me sleep longer

when did you fall out of love? when did you fall out of love? when did you fall out of love? when did you fall out of love?

out of love out of love out of love
