

Alesso, Cool (Feat. Roy English)

I saw stars on the pavement
California dreams
Looked up through the bright lights
No skies that I see
You said: "It's all yours if you take it there"
I said: "I can't do it alone, I swear"
You said: "It's all yours, It's all yours when you smile"

It's only you
Loves me like you do
Trying to keep it cool
But I can't keep cool about it
Acted like a fool
Ought to scream in front of you
I'm trying to keep it cool
But I can't keep cool about it, baby

Before you I was always lost
Drifting at sea
You were the beacon I'd followed home
You were the one that rescued me
You said: "It's all yours if you take it there"
I said: "I can't do it alone, I swear"
You said: "It's all yours, It's all yours when you smile"

It's only you
Loves me like you do
Trying to keep it cool
But I can't keep cool about it
Acted like a fool
Ought to scream in front of you
I'm trying to keep it cool
But I can't keep cool about it, baby

You said: "I won't lose you, no!"
It's only you
Loves me like you do
Trying to keep it cool
But I can't keep cool about it
Acted like a fool
Ought to scream in front of you
I'm trying to keep it cool
But I can't keep cool about it, baby
