

# Alesso, Tear the Roof Up

Tear the roof up!

We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
And I'mma tear up the roof  
And I'mma tear up the roof  
And I'mma tear up the roof  
And I'mma tear up the roof  
And I'mma tear up the roof  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear the roof up!

We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof  
We're getting loud in the booth  
And I'mma tear up the roof
