

Aletheia, O Most High

Jesus you are the one that I live for, You are my all There's
no other like you, so righteous so true, You saved my soul

I am Yours, You've given me breath and now I sing
I am Yours, my hands are stretched to the sky willing

Jesus you are so beautiful, your kindness never ends
Great and mighty you are O God, forgiver of my sins

I will sing praises to your name O most high
I will sing holy is your name O most high
