

# Aletheia, The Name Of Jesus

I was always on the run. Not caring where I turned; not sure what I was running from. Until the day I met your Son. Now I'm out with the old and made new by the One they call...

Jesus Christ, the anointed one. Immanuel, God with us  
Prince of Peace, you gave your life Now we worship your name.

You are the name above all names. The Father's only son you came to earth to die in my place. When I see you face to face. I will fall to my knees and pour out all my praise for you.

We cry out your name, the name of Jesus. We yearn for the Horn of Salvation. Your glory and fame is unheard of. We worship your name.
