

# Alex Band, Doesn't Get Better Than This

Give me someone to rescue  
'Cause these shoes aren't broken in  
Too many unanswered questions  
And my patience is wearing thin  
Now you've been searching for something  
Something I already knew  
And I've been dying to tell you  
Just to tell you  
It doesn't get better than this  
Right now, right here  
You only get one chance to live your life  
And it doesn't get better than this  
And now the cities upon you  
It's standing at your feet  
And there's no signs to guide you  
Across these broken streets  
Now we're all searching for something  
Something we can hold on to  
And I've been dying to tell you  
Just to tell you  
It doesn't get better than this  
Right now, right here  
You only get one chance to live your life  
And it doesn't get better than this  
If you hold on to a dream  
Then it's closer than it seems  
Well, this universe is all that you create  
There's no time to hesitate  
It doesn't get better than this  
Right now, right here  
You only get one chance to live your life  
And it doesn't get better than  
Doesn't get better than this  
Right now, right here  
You only get one chance to live your life  
And it doesn't get better than this  
It doesn't get better than this
