

# Alex Band, Rest of Our Lives

I'm here  
Just walking on a wire  
I'm tripping on my words  
I'm burning with desire  
'Cause now there's you  
You've given me a name  
A story with an ending  
That I would never change  
And if you ever need me  
I'll be there for you  
And if you stop believing  
Just know we'll make it through  
And when you're down and broken  
Well I'll be by your side  
'Cause I know that today  
Is the first day of the rest of our lives  
So take  
All that's left of me  
My heart into your hands  
Your hands are all I need  
And now I'm feeling high  
'Cause your love is like a drug  
You've given all you can  
But I cannot get enough  
And if you ever need me  
I'll be there for you  
And if you stop believing  
Just know we'll make it through  
And when you're down and broken  
Well I'll be by your side  
'Cause I know that today  
Is the first day of the rest of our lives  
And I'm giving it all  
Yah I'm giving it all to you  
Yah there's nothing that I wouldn't do  
So I'm giving it all  
Yah I'm giving it all to you  
And if you ever need me  
I'll be there for you  
And if you stop believing  
Just know we'll make it through  
And when you're down and broken  
Well I'll be by your side  
'Cause I know that today  
Is the first day of the rest of our lives  
If you ever need me  
I'll be there for you  
Just hold on to that feeling  
There's nothing we can't do  
And when you're down and broken  
Well I'll be by your side  
Cause I know that today  
Is the first day of the rest of our lives  
Of the rest of our lives...  
So take my hand  
I'll lead us on  
Through stormy seas  
And rivers strong  
In all that's dark  
Our colors bright  
So now I say  
To you goodnight...  
I say goodnight...
