

Alex C., Love In The Morning (My Sex.O.S.)

Give me love in the morning
I need a chance some days away
Your love in the morning
When all I need is try to sleep
Give me love in the morning
That's when I'm proud, it is when I'm best
The scream in the morning
Baby wake up and see
My Sex O.S.
My Sex O.S.
Sex O-S

Monday morning we stay in bed instead of work
Tuesday I'm eating you for breakfast girl
Wednesday morning I'll kiss you like Tuesday
We go along, you're my favorite candy play
