

Alex Clare, Never Let You Go

Although you're small
You're big enough to fill my heart
Surprised myself when I made room for someone else
Who'd ever thought I'd fall so far
To pull myself back up
Life can be crazy sometimes

I'm so filled with hope
When I saw your face
I just can't be sure
If tomorrow will be a better day
One thing that you should know
One thing that you should know
Is I will never let you go
never let you go
I will never let you go
Never gonna let you go
Never gonna let you go

There's a lot of minds who will tell you how to think and feel
They will pull you then this way then that way
If i'm not around listen to what your heart says

I'm so filled with hope
When I seen your face
I just can't be sure
If tomorrow we'll find a better way
One thing that you should know
One thing that you should know
Is I will never let you go
never let you go
I will never let you go
Never gonna let you go
Never gonna let you go

Never, never, never let you go /8x
I will never ever let you go
never let you go
I will never let you go
Never gonna let you go
Never gonna let you go
I will never let you go
never let you go
I will never let you go
Never gonna let you go
Never gonna let you go
