

Alex Gaudino, I'm in Love

I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it,
I'm I'm I'm I'm,
Heey heey ey, Oooh oh woah,
I saw you in the club,
With your boys you were looking rough,
You're making contact to meee,
I'm living in a dream,
This isn't make believe,
I want you to knowwww,
That I won't let go,
My body shows,
You're everything I needed,
Won't you say mine,
I'm done till night,
And live our fantasyyy,
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
Lets shot into your ride,
Can we drive into the night,
So it's just you and mee,
I step into your life,
I see that it shines bright,
We're meant to be,
I won't let go,
My body shows,
You're everything I needed,
Wont you say mine,
I'm done till night,
And live our fantasyyy,
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
So you let me in,
And our love will shine,
I'll always be yours,
And you'll always be mineeee,
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
I'm in loveeeeeee
I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I'm in love, I wanna do it
