

# Alex Lloyd, Gender

Culture souvenir shop  
Lying on the chopping block  
World wide space wide  
In a small house wife  
Motor bike horse ride  
In the general market  
Imagination gun is playing on the tv

It's falling away  
It's falling away

Sunrise darkness in an empty lunchbox  
(The world is so big the world is so small)  
There's a cold man can you give him a blanket  
(Can you give him something, can you give him some)  
War isn't everything but complex economics  
(It's just a day of numb, it's just a day away)  
Underline gender in the new pop culture  
(I'm just a boy living in a girl's world)

It's alright, it's alright, but it's so long  
To pretenders in the new scene  
To the falling of your head  
Well it's alright, well it's alright  
But it's so long  
Falling so far
