Alex Max Band, Tonight

Well the sky broke in two, Found you dancing alone. then the room filled up with you, and that song we both know.

About a girl who lived in a shell, and a boy washed up somewhere else. With the ocean in between, Whatever I'm through. You know I'm talking about you.

Tonight, I got you where I want you. Closer I can tell you anything, You're the song that I sing.

Tonight, Let the music take us over. we'll fall into forever, all is right, Cause I got you where I want you.

Tonight Tonight

Through all of science and history, I can't explain your effect on me. well I've been walking around with my head in the clouds, and seashells in my jeans, yeah well nothings is as it seems.

Tonight, I got you where I want you. Closer I can tell you anything, You're the song that I sing.

Tonight, Let the music take us over. We'll fall into forever, all is right, Cause I got you where I want you.

Tonight,
Tonight,
the whole world could fall away,
but You and I, no we won't be afraid.

Tonight,
I got you where I want you,
Closer I can tell you anything.
Tonight,
Let the music take us over,
We'll fall into forever, all is right Cause I got you where I want you,
