

Alex & Sierra, Scarecrow

I'm standin' still without you
In the emptiest of fields
Wish that I could say what's on my mind

The straw that fills your heart so you never have to feel
You say that you just need a little time

Days like these I bury my each and every word
Hide them underneath these lonely trees

The harvest moon is wicked
I know that you've been hurt
I swear I'm here for good I'll never leave

This is where it starts tonight
If you open up your heart tonight

You're staring out the window
I'm out here in the street
You stand there like a scarecrow
I'm begging you to speak
You used to be my solid ground
Now I'm drowning in the sea
Oh, I just wanna believe in you and me
Yeah, I just wanna believe in you and me

Hey yeah, hey yeah, hey yeah, hey yeah

Used to be so full of life not just an empty shell
You're out there all alone I wonder why

The pieces keep on falling out and I pick them up myself
But I'd let you steal the buttons from my eyes

This is where it starts tonight
If you open up your heart tonight

You're staring out the window
I'm out here in the street
You stand there like a scarecrow
I'm begging you to speak
You used to be my solid ground
Now I'm drowning in the sea
Oh, I just wanna believe in you and me
Yeah, I just wanna believe in you and me

Hey yeah, hey yeah, hey yeah, hey yeah

Open up for me

Well nothin's what it seems to be

How can I make you feel again

Only you can make me real again

You're staring out the window
I'm out here in the street
You stand there like a scarecrow
I'm begging you to speak
You used to be my solid ground
Now I'm drowning in the sea
Oh, I just wanna believe in you and me
Yeah, I just wanna believe in you and me

You're staring out the window
I'm out here in the street
You stand there like a scarecrow
I'm begging you to speak
You used to be my solid ground
Now I'm drowning in the sea
Oh, I just wanna believe in you and me
Yeah, I just wanna believe in you and me

Hey yeah, hey yeah, hey yeah, hey yeah

You're staring out the window
I'm out here in the street
You stand there like a scarecrow

I just wanna believe in you and me
