

Alex Spore, Sound Of Silence

This awkward sound of silence is creepin in again.
And if you think that this is the end,
Think again.

And yes i'm here,
And i want you back.
And i still believe that there's a second chance out there,
Waitin for me.

Here i sit and i think are you thinkin of me?
And i sit, my head begins to spin,
out of control.

And yes i'm here.
And i want you back.
And i'm slipping in and out of this state of mind that i,
cannot control.

If i were to change everything that i was,
you'd think that i was a bigger man.
But the truth is that you don't know me at all.

And i'm here.
Just to get you back.
But the fact of the matter is that i don't,
need you

This awkward sound of silence is creepin in again.
And if you think that this is the end,
Think again.
Think again,
