

# Alexa, Scarlet Rose

And in this lonely hour  
When you rest your weary head  
Well, I will be watching you  
And on tiptoe creep to your bed  
And if you ever leave me I will follow you  
I'll find you anywhere you may go  
If it's the last thing that I do  
You're my scarlet Rose  
I will never let you go  
You will always know  
I will be yours to have and hold  
Don't forget me  
Don't regret me  
Scarlet Rose, Scarlet Rose  
So dream your sweet baby dreams  
And I will kiss your tiny cheek  
Though I must leave now  
Know that you always be with me  
I offer up this prayer  
That everywhere she goes  
Lord, please protect my baby  
My sweet, sweet Scarlet Rose  
'Cause you're my Scarlet Rose  
I will never let you go  
You will always know  
I will be yours to have and hold  
Don't forget me  
Don't regret me  
Scarlet Rose, Scarlet Rose  
Scarlet Rose, Scarlet Rose  
Scarlet Rose, Scarlet Rose  
And if you ever leave me I will follow you  
I'll find you anywhere you may go  
If it's the last thing that I do  
You're my scarlet Rose  
I will never let you go  
You will always know  
I will be yours to have and hold  
Don't forget me  
Don't regret me  
Scarlet Rose, Scarlet Rose  
Good night, Sleep tight
