

# Alexander, Missing You

I reminisce on that smile  
That used to brighten my heart  
I will always remember  
The silhouette of your face  
I could never replace  
Always runs through my mind  
How could I be so blind  
To let you go I don't know  
'Cause I'm still missing you  
We should have been forever  
Still missing you  
Now we are so far apart  
I never meant to let you go  
And you'll never leave my heart  
'Cause I'm still, still loving you  
And I'm still, still missing you  
I know I made some mistakes  
But tell me what will it take  
To forgive what I've done  
A million rivers I cross  
A thousand miles I'd walk  
To have you in my arms  
If I could turn back time  
To so long ago, I'd let you know  
'Cause I'm still missing you  
We should have been forever  
Still missing you  
Now we are so far apart  
I never meant to let you go  
And you'll never leave my heart  
'Cause I'm still, still loving you  
And I'm still, still missing you  
I see that look in your eyes  
Can't let go of your smile  
You've got a piece of my soul  
Somehow I can't survive  
Without you by my side  
I should have never let go  
'Cause I'm still missing you  
We should have been forever  
Still missing you  
Now we are so far apart  
I never meant to let you go  
And you'll never leave my heart  
'Cause I'm still, still loving you  
And I'm still, still missing you...
