

Alexander Rybak, 1000 Views (feat. Grace Kelly)

Woke up in the morning,
Girl I've been feeling so good.
All eyes on me, yeah!
It's like I'm in Hollywood.

I've been working hard,
Yeah I've been working hard
and after waiting all this time.
I wanna celebrate now,
It feels like I'm losing my mind.

It's the greatest news:
I got a thousand views!
It's the greatest news:
I got a thousand views!

Woke up in the morning,
Girl I've been feeling so good.
All eyes on me, yeah!
It's like I'm in Hollywood.

I've been working hard,
Yeah I've been working hard
and after waiting all this time.
I wanna celebrate now,
It feels like I'm losing my mind.

It's the greatest news:
I got a thousand views!
It's the greatest news:
I got a thousand views!

I've been working hard,
working hard,
yeah I've been working hard!

I've been working hard,
working hard,
yeah I've been working hard!

It's the greatest news:
I got a thousand views!
It's the greatest news:
(I got one thousand views)

It's the greatest, greatest
greatest news:
I got a thousand views!
It's the greatest news:
I got a thousand views!
