

Alexandra Burka and Flo Rida, Start Without You

Dont make me start without you
Eh hey Im like a beast
Eh hey Im like a beast
Did you drop the record Ima start a stampede
Did you drop the record Ima start a stampede
Eh boy, I push it out
Eh boy, I push it out
Fire on my body like a miracle round
Front to the back I make you go round
And like me, get on the dance floor
Yeah like me (black guy: [?]) Start without you)
Oh, here I go, drip droppin way down low
You [?] this
Windin like this, dont make me start without you
Oh, here I go, youre movin way to slow
Im comin up, put down your cup
Dont make me start without you
(Interlude)
Eh boy, way that I move

Drum ill make you go ?
Eh boy, ? where you at
