Alexandra Burke, Good Night Good Morning

```
This beat is crazy, this club amazing<br /&amp;gt;
This is where I'm gonna be<br /&amp;gt;
I'm on the floor, don't worry me<br /&amp;gt;
<br /&amp;gt;
And this guy is crazy, his frame amazing<br /&amp;gt;
I got my scent all over him<br /&amp;gt;
As we dance around the place<br /&amp;gt;
<br /&amp;gt;
His body interlocks with mine<br /&amp;gt;
Sends chills all up and down my spine<br /&amp;gt;
And I pull him closer, whisper in his ears<br /&amp;gt;
I said<br /&amp;gt;
<br /&amp;gt;
What will it be for you and me?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
<br /&amp;qt;
What will it be for you and me?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
<br /&amp;gt;
I feel so crazy, she feels amazing<br /&amp;gt;
Ooh, the way she's touching me<br /&amp;gt;
I can't imagine what it would be& lt; br /& qt;
<br /&amp;qt;
Her body interacts with me<br /&amp;gt;
Sends chills all up and down her spine<br /&amp;gt;
She pulls me closer and whispers in my ears<br /&amp;gt;
She said<br /&amp;gt;
<br /&amp;gt;
What will it be for you and me?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
<br /&amp;qt;
What will it be for you and me?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
<br /&amp;gt;
Everything in the room started spinning<br /&amp;gt;
Got his voice in my head asking is this the ending<br /&amp;gt;
Or we just beginning this little escapade<br /&amp;gt;
<br /&amp;qt;
She was turning me on how she work in the middle<br /&amp;gt;
But there's something about her that's kept me at middle<br /&amp;qt;
She looks me in my eyes and Lord, she had to say<br /&amp;gt;
<br /&amp;gt;
This beat is crazy, this beat is crazy<br /&amp;gt;
This beat is crazy, this beat is crazy<br /&amp;gt;
<br /&amp;gt;
What will it be for you and me?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
<br /&amp;gt;
What will it be for you and me?<br /&amp;qt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
Is it good night or is it good morning?<br /&amp;gt;
<br /&amp;qt;
