

Alexandra Burke, Good night, good morning (feat

This beat is crazy
This club amazing
This is where I'm gonna be
I'm on the floor don't worry me
And this guy is crazy
His frame amazing
I got my sin all over him
As we dance around the place
His body interlocks with mine
Sends chills all up and down my spine
And I pull him closer, whisper in his ears

Oh, I said
CHORUS:

When will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning? x2

I feel so crazy
But she feels amazing
Oh the way she's touching me
I can't imagine what it would be
Her body interacts with me
sends chills all up and down her spine
She pulls me closer and whispers in my ears

Oh, she said
CHORUS:

When will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning? x2

Everything in the room started spinning
Got his voice in my head asking is this the ending?
Or are we just beginning
This little escapade
She was turning me on
How she work in the middle
But there's something about her
That get me at middle
She looks me in my eyes and Lord she has to say

This beat is crazy
This beat is crazy
This beat is crazy
This beat is crazy

CHORUS:

When will it be
For you and me
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning?
Is it good night?
Or is it good morning? x3
This beat is crazy
