## Alexandra Burke, Gotta Go

You said you'd never break my heart<br /&amp;gt;

And we'll never be apart<br /&amp;gt;

So seeing you after so long<br /&amp;gt;

Got me spinning round, round, round, round<br /&amp;gt;

&amp:lt:br /&amp:qt:

You said we'd always be together<br /&amp;gt;

And to me you were so precious<br /&amp;gt;

So after you what happens now?<br /&amp;gt;

You got me feeling down, down, down, down<br /&amp;gt;

<br /&amp;gt;

So I think I gotta go 'cause seeing you is so confusing<br /&amp;gt;

And I might end up losing again, so I'm thinking, thinking<br /&amp;gt;

I think I gotta go before I start to catch a feeling<br /&amp;gt;

And you might end up leaving like you left me once before<br /&amp;qt;

My heart can't take no more so I think I gotta go<br /&amp;gt;

<br /&amp;qt;

Seeing you after so long<br /&amp;gt;

Feels so strange 'cause the feelings ain't gone<br /&amp;gt;

Like a roller coaster ride<br /&amp;qt;

Got me spinning round, round, round<br /&amp;gt;

<br /&amp;gt;

So I think I gotta go 'cause seeing you is so confusing<br /&amp;gt;

And I might end up losing again, so I'm thinking, thinking&It;br />

I think I gotta go before I start to catch a feeling<br /&amp;gt;

And you might end up leaving like you left me once before<br /&amp;gt;

My heart can't take no more, so I think I gotta go<br /&amp;gt;

<br /&amp;qt;

You see the damage has been done<br /&amp;gt;

And now I know you're not the one<br /&amp;gt;

Because my heart just wants to run and run and run and run<br /&amp;qt; <br /&amp;qt;

So I think I gotta go before I start to catch a feeling<br /&amp;gt;

You might end up leaving again, so I'm thinking, thinking<br /&amp;gt; <br /&amp;gt;

So I think I gotta go 'cause seeing you is so confusing<br /&amp;gt;

And I might end up losing again, so I'm thinking, thinking&It;br />

I think I gotta go before I start to catch a feeling<br /&amp;gt;

And you might end up leaving like you left me once before<br /&amp;qt; My heart can't take no more<br /&amp;gt;

<br /&amp;gt;

So I think I gotta go 'cause seeing you is so confusing<br /&amp;qt;

And I might end up losing again, so I'm thinking, thinking&It;br />

I think I gotta go before I start to catch a feeling
