

# Alexandra Burke, Overcome

If you walk with your head down&lt;br /&gt;  
You can count every step you take&lt;br /&gt;  
I know every place I've been now&lt;br /&gt;  
I can count every mistake&lt;br /&gt;  
&lt;br /&gt;  
I've been hurt so many times before&lt;br /&gt;  
Almost forgotten how to dream&lt;br /&gt;  
All that I was running from&lt;br /&gt;  
Is all I need to save me&lt;br /&gt;  
&lt;br /&gt;  
I couldn't let you in my heart&lt;br /&gt;  
My defenses all fall apart&lt;br /&gt;  
Just when I thought I'd given up&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
And now I can't let you go, oh no&lt;br /&gt;  
You showed me something that I've never known&lt;br /&gt;  
And finally I've found the one&lt;br /&gt;  
I have overcome&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
You can never see it coming&lt;br /&gt;  
There's always that one you can't count out&lt;br /&gt;  
Who keeps on believing&lt;br /&gt;  
Nothing's gonna stop me now&lt;br /&gt;  
&lt;br /&gt;  
I've been hurt so many times before&lt;br /&gt;  
Almost forgotten how to dream&lt;br /&gt;  
All that I was running from&lt;br /&gt;  
Is all I need to save me&lt;br /&gt;  
&lt;br /&gt;  
I couldn't let you in my heart&lt;br /&gt;  
My defenses all fall apart&lt;br /&gt;  
Just when I thought I'd given up&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
And now I can't let you go, oh no&lt;br /&gt;  
You showed me something that I've never known&lt;br /&gt;  
And finally I've found the one&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
I'm not running anymore&lt;br /&gt;  
'Cause now there's nothing left to hold me down&lt;br /&gt;  
Some things are worth fighting for&lt;br /&gt;  
I see it all, it's waiting for me now&lt;br /&gt;  
&lt;br /&gt;  
I couldn't let you in my heart&lt;br /&gt;  
My defenses all fall apart&lt;br /&gt;  
Just when I thought I'd given up&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
And now I can't let you go, oh no&lt;br /&gt;  
You showed me something that I've never known&lt;br /&gt;  
And finally I've found the one&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
I couldn't let you in my heart, oh no&lt;br /&gt;  
My defenses all fall apart&lt;br /&gt;  
Just when I thought I'd given up&lt;br /&gt;  
I have overcome&lt;br /&gt;  
&lt;br /&gt;  
And now I can't let you go, oh no&lt;br /&gt;  
You showed me something that I've never known&lt;br /&gt;  
And finally I've found the one&lt;br /&gt;

I have overcome, I have overcome
