

# Alexandra Burke, Relight my fire

Help me escape this feelin' of insecurity  
I need you so much but I don't think you really need me  
But if we all stand up in the name of love  
And state the case of what we're dreamin' of  
I've got to say I only dream of you  
But like a thief in the night  
You took away the love that I knew  
Relight my fire  
Your love is my only desire  
Relight my fire  
Cos I need your love  
Turn back the times 'til the days when our love was new  
Do you remember?  
No matter what was happenin' I was there with you  
But if we all stand up for what we believe  
And maybe live within our possibilities  
The world would be wild for the dream  
So baby don't turn away  
Listen to what I gotta say  
Relight my fire  
Your love is my only desire  
Relight my fire  
Cos I need your love  
Relight my fire  
Your love is my only desire  
Relight my fire  
Cos I need your love  
You gotta be sure enough to walk on through the night (yeah)  
There's a new day on the other side (yeah)  
'Cos I got hope (hope) in my soul  
I keep on walkin', keep on walkin' baby  
Relight my fire  
Your love is my only desire  
Relight my fire  
Cos I need your love
