

# Alexandra Burke, The Silence

(\*Nadir Khyatt, Bilal Hajji, Savan Kotecha / \*Prod. by Stargate, Ne-Yo\*)

You lift me up  
And knock me down  
I'm never sure just what to feel when you're around  
I speak my heart  
But don't know why  
Cause you don't never really say what's on you mind  
It's like  
I'm walking on broken glass  
I wanna know but I don't wanna ask  
So say you love me  
Or say you need me  
Don't let the silence  
Do the talking  
Just say you want me  
Or you don't need me  
Don't let the silence  
Do the talking  
It's killing me  
(Love in silence)  
It's killing me  
(Love in silence)  
It's killing me  
(Love in silence)  
You let me in  
But then sometimes  
Your empty eyes just make me feel so cold inside  
When I'm with you  
It's like rolling dice  
Don't know where or how you're gonna make me cry  
So say you love me  
Or say you need me  
Don't let the silence  
Do the talking  
Just say you want me  
Or you don't need me  
Don't let the silence  
Do the talking  
It's killing me  
(Love in silence)  
It's killing me, yeah  
(Love in silence)  
Wooooo  
(Love in silence)  
It's like  
I'm (I'm) walking on (walking on) broken glass  
I wanna know but I don't wanna ask  
'Cause once you say it  
You can't take it back  
And this the end and please just fake it fast  
So say you love me  
Or say you need me  
Don't let the silence (ooohhhh)  
Do the talking  
Just say you want me (say you want me)  
Or you don't need me (but you don't want me)  
Don't let the silence  
Do the talking  
Wooooooh  
(Love in silence)  
You lift me up  
And knock me down  
I'm never sure just what to feel when you're around
