

# Alexi Murdoch, Orange Sky

Well I had a dream  
I stood beneath an orange sky  
Yes I had a dream  
I stood beneath an orange sky  
With my brother standing by  
With my brother standing by  
I said Brother, you know you know  
It's a long road we've been walking on  
Brother you know it is you know it is  
Such a long road we've been walking on  
And I had a dream  
I stood beneath an orange sky  
With my sister standing by  
With my sister standing by  
I said Sister, here is what I know now  
Here is what I know now  
Goes like this..  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, in your love, in your love  
But sister you know I'm so weary  
And you know sister  
My hearts been broken  
Sometimes, sometimes  
My mind is too strong to carry on  
Too strong to carry on  
When I am alone  
When I've thrown off the weight of this crazy stone  
When I've lost all care for the things I own  
That's when I miss you, that's when I miss you, that's when I miss you  
You who are my home  
You who are my home  
And here is what I know now  
Here is what I know now  
Goes like this..  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, my salvation lies  
In your love, in your love, in your love  
Well I had a dream  
I stood beneath an orange sky  
Yes I had a dream  
I stood beneath an orange sky  
With my brother and my sister standing by  
With my brother and my sister standing by  
With my brother and my sister standing by
