

Alexis Jordan, Hush Hush

Everybody knows, everybody knows
That I'm coming for your tough x2
Are you scared?
Don't you run now
Welcome to the funhouse
Tossed my emotions
So here's the commotion
Feels good to hold the knife
Cut me out, just right
Revenge and the kiss coz baby I'm a snitch

CHORUS:

Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm
Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm

Everybody knows, everybody knows
That I'm coming for your tough x2
You won't get saved
Hold your breathe it's Ok
Coz you drowning today
I'm gonna shake you
It's gonna be fun
I gotta little something
Sure there be some pain
I'll be happy I came

CHORUS:

Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm
Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm

Don't you say one more thing to me
Won't you shut it up you can't explain

CHORUS:

Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm
Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm

CHORUS:

Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm
Hush hush hush you know I'm coming
For your tough tough tough
I need your war in a rush rush rush
You better take over this quite storm
