

Alexis Jordan, Love Mist

The way the way the way you make me feel boy

CHORUS:

Oh oh the way I feel when you touch me
Oh oh no other like you can love me
Oh oh the way I feel when we kiss
Oh oh you got me feeling love mist

It feels like ting-a-ling a ling boy
When I think about us
It feels like thing-a-ling a ling boy
Feel the mist of our love x2

Can I get this feeling now from no other in this world?
Baby we can take it slow
And forever be in love

CHORUS:

Oh oh the way I feel when you touch me
Oh oh no other like you can love me
Oh oh the way I feel when we kiss
Oh oh you got me feeling love mist
Oh oh the way I feel when you touch me
Oh oh you got me feeling love mist

My arms need your love
No one else's touch
When I'm all alone
Feels like own my heart crush
My feeling is right
My days you might bright
Together we rise
Need your loving tonight

Can I get this feeling now from no other in this world?
Baby we can take it slow
And forever be in love

CHORUS:

Oh oh the way I feel when you touch me
Oh oh no other like you can love me
Oh oh the way I feel when we kiss
Oh oh you got me feeling love mist x3
