

# Alexis Jordan, Shout Shout

Yeah Yeah Yeah

Hey!

Hey!

Hey!

Oh oh

Hey!

Boy you heard about you shout right through my heart  
I wanna break you down to pieces part by part  
I wanna serve you of a plate of hater hole  
But this plater's gonna be best served cold  
And I ain't playing

Uh boy

See I gave you a minute

Just to give you time to breathe

And I'm friendly but you don't know that I'm the enemy (the enemy)

And I'm falling so in suffer much to low

And for all those times I'm hurt

CHORUS:

I'm gonna shout, shout

Mad and at loud

These are the things I can do without

Come on I'm talking to you

Come on hey

For the way you always lied and treated me  
Did you forget your indiscretions so easily?  
And now my mission is to break your soul in three  
Coz a battle you won but the war is a different story

Uh boy

See I gave you a minute

Just to give you time to breathe

And I'm friendly but you don't know that I'm the enemy (the enemy)

And I'm falling so in suffer much to low

And for all those times I'm hurt

CHORUS:

I'm gonna shout, shout

Bad and at loud

These are the things I can do without

Come on I'm talking to you

Come on hey

So now I'm gonna shout

Bad and at loud

These are the things I can do without

Come on I'm talking to you

Come on hey

And you'll never know where  
And when you're taking down your guard  
If I could change your mind  
I'd really love to break your heart  
I'd really wanna  
Hey  
I'd really love to break your heart

CHORUS:

I'm gonna shout, shout

Bad and at loud

These are the things I can do without

Come on I'm talking to you  
Come on hey

Just shout shout  
Bad and at loud  
These are the things I can do without  
Come on I'm talking to you  
Come on hey
