

Alexisonfire, Passing Out In America

NO

I wont know what i want to say when i'm with you

NO

I wont know what i want to say when i'm with you

NOW

Say what you may,

don't hesitate,

make the call,

if you need help,

do you know you,

we wont grow tired,

hey you,

DREAMS

dreams don't know what they do,

soak the heart,

for now i guess well have to try to fix it now

YEAH

so say what you may,

don't hesitate,

make the call,

if you need help

scream "HEY YOU"

and maybe one more time "HEY YOU"

it's the passing america

passing america

passing america

passing america

passing america

passing america

passing america

passing america

Bah bah bah bah bah

(dut dut dut)-in background

(OOH)-in background

it's the passing america

passing america

passing america

passing america

trust your heart

passing america

trust your heart

passing america

your heart

passing america

trust your heart

passing america

passing america

passing america

i wanted to cry

i wanted to cry

i wanted to cry

i wanted to cry
