

Alexz Johnson, Sunshine Reigns

Sunshine reigns
Sunshine, sunshine reigns
Na na na na
Na na na na
I try to find
Na na na na
Na na na na
I see the world
Through tear filled eyes
I see the rain falling down
I try to find, but there's no disguise
I see the pain all around
As we search for revelation
Somehow they just fly
Do we have the wisdom
To know we've crossed the line
And can we shower our love on the pain
Can we shower our love on the pain
If we shower our love on the pain
Sunshine reigns
Yeah yeah yeah yeah
Its time for us
To make a change
Living in our final hour
But take the time
To rearrange
Its all within all the power
So we're sending out a message
To each and everyone
If we put our hearts together
We can live as one
And can we shower our love on the pain
Can we shower our love on the pain
If we shower our love on the pain
Sunshine reigns
Na na na na
Yeah yeah yeah yeah
Ships are flyin
Boats are flyin
People dyin
Can you hear their voices calling
Country siding
People lying
Thunder starting
Can't you see the skies
We can shower our love on the pain
We can shower our love on the pain
We can shower our love on the pain
Sunshine reigns
Oh yeah Yeah ooh yeah
Sunshine reigns
