How can I put into words
What you mean to me?
You mean the world to me
No one can take you away

Speak "friend" and i'll listen.
Speak "foe" and i'll run
Whenever you need me
Just call up and say
Mellon

Our motto is and will always be
Never Above You
Never Below You
Always Beside You

Speak "friend" and i'll listen.
Speak "foe" and i'll run
Whenever you need me
Just call up and say
Mellon

I'll make a pact
Here and now
We'll always be buddies
Even if we move away!

Speak "friend" and i'll listen
Speak "foe" and i'll run
Whenever you need me
Just call up and say
Mellon

We are best friends
Nothing can tear us apart
As long as we both stay true
We can get through anything

Speak "friend" and i'll listen
Speak "foe" and i'll run
Whenever you need me
Just call up and say
Mellon

Whenever you need a friend
To hold on to
Just yell out my name
And i'll be there

Speak "friend" and i'll listen
Speak "foe" and i'll run
Whenever you need me
Just call up and say
Mellon

I promise we'll be best friends forever
Wackatepea
That means promise
I'll miss you but i'll always have you with me

Speak "friend" and i'll listen

Speak "foe" and I'll run
Whenever you need me
Just call up and say
Mellon
