Alexzya Passion  
Revolution  
Sweet Dreams, My Angel  
You kiss my head  
And you hold me tight  
I want to lay in your arms  
Deep into the night!

I dont want to let you go,  
My heart is bursting at the seam  
You whisper into my ear  
Sweet Dreams, My Angel

I hold your hand  
And beg you not to go  
Your eyes say yes  
But your lips say no

I dont want to let you go,  
My heart is bursting at the seam  
You whisper into my ear  
Sweet Dreams, My Angel

I dont want to let you go,  
My heart is bursting at the seam  
You whisper into my ear  
Sweet Dreams, My Angel
