

Alexzya Passion, Thank You

Alexzya Passion
Revolution
Thank You
Slow:

As I stand here
Looking over you
I just want to say
Thank You.

Faster:

While everyone is out
Playing with fire
Im here and I have something to say
You gave me freedom

You gave me liberty
And I thank you on Independence Day!

Thank You, for being there.
Thank You, for protecting us.
Thank You, for risking everything every day!

You gave your life for mine.
Im proud to stand here
On Independence Day!

You gave me Freedom
You gave me Liberty
You gave me Rights
You risked your Life
So I could live in Happiness

I Thank You day and night!
Thank You, for being there.
Thank You, for protecting us.
Thank You, for risking everything every day!

You gave your life for mine.
Im proud to stand here
On Independence Day
